The Hawaii State Public Library System (HSPLS) is pleased to announce the availability of **free wireless Internet access** at public libraries statewide. Library users may access the wi-fi in the public service areas of the library during open hours. A valid HSPLS library card is required to use this service. Call your local library for details and information.

The wireless equipment is provided by Hawaii's Access for All Grant through the Broadband Technology Opportunities Program, funded by the American Recovery and Reinvestment Act of 2009, and leveraged with Bill & Melinda Gates Foundation Opportunity Online funds. Match funds were provided by the Friends of the Library of Hawaii'i, the Omidyar Ohana Fund, through the Hawaii Community Foundation, and Alexander & Baldwin Foundation.
