Art Therapy Event... Oncology on Canvas

...for Children and Adults with Cancer, Their Families and Kapi‘olani Staff

Art Therapy provides a way for cancer patients and their loved ones to express unspoken and often unconscious concerns about their illness and their life. We’ve assembled a group of art instructors, student volunteers and staff to help participants express their personal journey on canvas. Art supplies will be provided for the day of the event. Kapi‘olani Women’s Cancer Center will be joining us for this year’s event.

Refreshments will be served.
RSVP: 983-8333 (Joyce) or 983-8320 (Playroom)
